

Academic Partnerships

Vigeo Eiris supports scientific research on social responsibility by forming partnerships with academic institutions and granting access to our database through research agreements.

OUR ACADEMIC PARTNERSHIPS AIM TO

- Contribute to scientific knowledge and research on CSR and SRI,
- Develop research protocols and enhance our scientific knowledge to improve ratings and evaluation methodology,
- Share research outcomes with financial organisations, companies, academics and the general public, and
- Strengthen the expertise of Vigeo Eiris' teams on relevant issues.

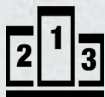

KEY RESULTS*

87 academic partners in **18** countries

6 academic partnerships signed per year since 2002 on average

Research featured in numerous **FT** top ranking academic journals

Over **60** academic publications based on our dataset including articles, working papers, PhD theses, reports

*last Update: October 2018

ABOUT VIGEO EIRIS

Vigeo Eiris is an independent international provider of environmental, social and governance (ESG) research and services for investors and public & private organisations. We undertake risk assessments and evaluate the level of integration of sustainability factors within the strategy and operations of organisations.

Vigeo Eiris offers a wide range of services:

- ▶ **For investors:** decision-making support covering all sustainable and ethical investment approaches (including ratings, databases, sector analyses, portfolio analyses, structured products, indices and more)
- ▶ **For companies & organisations:** supporting the integration of ESG criteria into business functions and strategic operations (including sustainable bonds, corporate ratings, CSR evaluations and more).

Vigeo Eiris methodology and rating services adhere to the highest quality standards. With a team of more than 240 experts of 28 different nationalities, Vigeo Eiris is present in Paris, London, Boston, Brussels, Casablanca, Hong Kong, Milan, Montreal, Rabat, Santiago and Stockholm. The Vigeo Eiris Global Network, comprising 6 exclusive research partners, is present in Australia, Brazil, Germany, Israel, Japan and Spain.
