DISCLAIMER

The elements contained in or used to produce the scores published on this document (information, indicators, analyses, ratings and opinions) do not include or imply any approval or disapproval of their content on the part of V.E, its directors or employees. These elements in no way constitute a guarantee or reference of a legal, moral, philosophical, ethical or religious nature, supporting or opposing any investment or disinvestment decision, or any point of view or opinion expressed in favour of or against the companies, products, services or sectors directly or indirectly mentioned in the V.E scores. The scores are not and should not be considered as a form of financial advice or recommendation. No investment or disinvestment decision should be legally attributed to the scores concerned (including information or opinions provided by V.E). Users remain solely responsible for their use of V.E scores and their content and for any decision they make on the basis thereof. V.E scores should only be considered as one of the many indirect elements related to the financial decision-making process.

All the information contained on the present document is obtained by V.E from sources that it believes to be accurate and reliable. Due to the possibility of human or mechanical error as well as other factors, however, all information provided by V.E is provided "as is" without warranty of any kind, either express or implied, including as to accuracy, timeliness, completeness, merchantability or fitness for any particular purpose. V.E is not an auditor and cannot in any case independently verify or validate the information it receives. All information contained in this document is protected by law, including copyright law, and none of this information may be copied or otherwise reproduced, repackaged, transmitted, transferred, broadcast, redistributed or resold, or stored for subsequent use, in whole or in part, in any manner or by any means, by any person without the prior written consent of V.E.
