INDEX METHODOLOGY

Euronext Vigeo Eiris indices are composed of the highest-ranking listed companies as evaluated by the Vigeo Eiris agency in terms of their performance in corporate responsibility.

Companies are excluded if:

- Their level of commitment is insufficient with regard to their overall score or their score in one of six key areas reviewed by the agency.
- They are subject to serious, proved, or recurrent controversies; seriously implicated in recent allegations which remain unresolved; or face recent condemnation to which the company fails to provide corrective measures, or adopts an attitude of denial.

For further information, please refer to the [Rule Book](#), available on our website.

About Vigeo Eiris

V.E is a global leader in ESG assessments, data, research, benchmarks and analytics. Leveraging our extensive proprietary database, we equip market players with the ESG insight they need to manage risks and better understand and address their social and environmental impact. Since 2019, V.E has been an Affiliate of Moody's Corporation.

V.E has an industry unique ISO 9001: 2015 quality certification for its processes relating to methodology, assessments, sale and delivery of its data to all types of investors and issuers. V.E is a Climate Bonds Initiative Verified Provider of Second Party Opinions.
